"TEMPE'S HELP TO OTHERS" BENEFITS FROM BINOCULAR VIEWINGS

Pictured Above: Mayor Neil Giuliano and Rich Nolan, Chair of the Tempe Commission on Disability Concerns, look for their favorite spot on the Tempe Town Lake.

The coin-operated binoculars donated by Tempe Leadership Class XV are a popular attraction with lake visitors. The binoculars, located at the northwest end of Tempe Beach Park, have generated \$731 since May 12, 2000. Monies collected will be donated to Tempe's Help to Others (H2O) and matched by 50 cents on the dollar by the Arizona Republic Charities, a fund of the Robert R. McCormick Tribune Foundation.

Every quarter from the binoculars will be put back into the community to help individuals and families with food, clothing, shelter, counseling services, after-school programs, and a variety of other services to help people lead happy, healthy and productive lives!
